A quarhis facilities for buying, he can undoubtedly, sell below competition. This store is an honor to the town; its variety of goods are so estuess of the people, that the plan is demand- Chunese shoemakers at North Adams and pays from getting at them by process, as was degreat, that it is worth a good look at. Go and ed, and there is little reason to fear of securing a just tribute to the late Fitz-Hugh Ludlow, signed—they were secreted where found. see for yourselves, and you can carry home something that will bring happiness to cither old or young.

At the "Woman's Convention," in Akron, Ohio, some singular things were said, and some quite sensible ones. A young lady spoke as follows, "For her own part, she loved man, individually, collectively, better than woman; and so, she was sure, did every one of her sex, if they, like her, would utter their real sentiments. She was more anxious for man's elevation and improvement than woman's, and so was every true woman."

APPLE JELLY, is a luxury of an article, now being nicely put up in bailed tubs, of convenient sizes for handling, and meeting the state of the purse, by our friend A. D. STRONG. As a dinner sauce, with meats, it is hardly equaled by cranberries or any thing now in use. While it is very palatable, it is very wholesome, and well calculated to promote digestion by neutralizing that inveterate enemy of the stomach-grease. We believe it is for sale by the manufacturer, wholesale and

NEW FIREMEN'S HALL.—The three comprnies comprising the Fire Department of this TULLER'S, of Geneva, and JOHN THOMPSON'S, the more abstrace investigations of modern village, have in contemplation, through the of Jefferson, we should never have heard the contributions of the several members, the erection of a building with a Hall suitable for the accommodation of their parties and assemblies, and held a meeting on Thursday evening last to consider its practicability. The department was fully represented, and a committee of five, appointed to make enquiries and submit a report in form at an adjourned meeting on Thursday evening next.

Who should appear in our sauctum the other day, but our old friend and fellow citizen. Or. PRATE, just from the cold regions of the North, a few miles from Marquette, where, he informs us, he is earning an honest living by the practice of the law. He looks s rotund and hearty as a polar bear, and promises to fill up the full measure of his days

in a green and juley old age.

We were also pleased to receive a call from friend Coopen of the Badger State Braner. who has been spending a few days at the old termity. Black River Falls—his locality—is the location to which John Girrons migra-ted, when he left Ashtabuls. He has, how-

bout territorial accommodations, from the paper states-though we don't believe all we creek front of his farm, for railroad purposes. see in print-on one occasion recently, the col-Short work of these stories has been made by lections-for how long a time is not state !-Mr. H.'s going directly to President M'CREERY, amounted to some \$10 or \$15. The Plank Road Company, and the condition of its road, are subjects pretty prominent ly before the public mind, just now. This prominence will hardly be lessened by the Fall & Winter Dry Goods! institution of a suit by the Company, against CHARLEY WILLIAMS the back man, for tolls which he has for some time, on account of the condition of the road, refused to pay. This suit came on on Wednesday last, at Jefferson, before Esq. Ruggles, but it was withdrawn verity, upon the course of the Company in removing the plank from a portion of the road, in the fall season, and leaving it in a condition that is next to intolerable. The curses, both loud and deep, at this state of things, are heard in this quarter frequent enough to prevent any dying out of interest

in the subject. We might have allude to a proposition to change the route of the plank road from the gate, north and west, over the line of the old, abandoned one, and then by angling, to come out in front of ALLCOCK's slaughter house. The object of this proposed change is to save expense in bridge building. The effect will time to going around this corner for the mere purpose of saving a few dollars in bridging. glad to hear that there is a remonstrance on The repairs upon the piers at Conneaut have foot against it. We hope it may be circulated lively, and so generally signed as to prevent

that six dozen pairs of kid gloves, one or two dozen lace veils and a dozen neck-ties were smuggled from Toronto, in June, 1870. The disclosure of the matter came out through FINCH, who sent word to collector W. R. HANCOCK, of the harbor, that most of these goods were secreted upon the fair ground, and that they had been smuggled by him and Gasition to secure such a consummation. Let W. Curtis pleasantly gossips concerning the rel between them took place, and the goods Fixcu's object in turning informer, seems to have been to spite GARY, while he sereened himself by becoming State's evidence. Mr FINCH testified in brief that GARY made the proposition to him to go to Toronto, and that the goods were brought over in a valise. Henry Starkweather, called by the defense, testified that three years ago he was a clerk at Tuller House, Geneva.—Business and pleasure led us, the other day, to take a drive to Geneva—that pretty and ambitious little burg, over which our friend Spencer presides with so much doughty consequence. It being with so much doughty consequence. It being with so much doughty consequence. It being about noon, we allowed—as is sometimes the case with our cotemporary—our stomach to become our monitor, and accordingly dropped in for a stop with Tom Tuller, of the Tuller, of the Tuller House. This being our introduction of the public taste.

In made up with unity of purpose, and nice distance they were smuggled goods, and that he had been in the smuggling business for some time. The examination drow out the fact, says the reporter of the Herald, that Starkweather and Finch had been in the produce business together since that time, and had dissured to the start of the public taste. solved partnership with much ill-feeling, and that Starkweather had no good opinion of

Finch's honesty or veracity.

An owner for the goods now in the possession of collector Hancock, is called for by ad-

vertisement in this paper, with whom the claim must be filed.
